Egan TeamBoard is a No Hassle Company

Software updates are always available on-line—free of charge. Technical support is built into the software, available on our web-site, or with a call to our customer service staff.

If you have any problems, pick up the phone and let us know. We expect, and need, our customers to be delighted with our products and services.

TeamBoard products are designed to be durable, reliable and easy to install.

EVS Presentation Surface

An Egan TeamBoard exclusive, EVS is an enhanced dry-erase writing surface that is ideal for classroom (or war room) durability. In fact, EVS really is guaranteed-to-clean.

With EVS, even permanent marker, if used by mistake, is easy to erase. For outstanding performance, try the Egan Dust-Free Whiteboard Solution (EVS + Egan Markers + the EganCloth). It's truly amazing!
